

KNOW YOUR HEALTH!

Order your lab tests from the comfort of your own home.

We're here to help you understand more about your health and take control of your health by providing you with direct access to low-cost lab testing.

We provide affordable, convenient, comprehensive, and confidential laboratory testing and health screening services. Our online platform allows you to order lab tests easily and quickly at any time of day or night, saving you up to 90% on laboratory testing. Prices for lab tests start at \$12.95, and our selection of over 2000 lab tests and panels covers most people's needs.

You can have your specimens collected at one of our over 2,100 patient care centers around the country. Quest provides confidential results within 12 to 48 hours for most tests, and we deliver them to you via a secure HIPAA-compliant portal. We also offer the tools you need to track and measure your progress. The results are color-coded and displayed on dynamic graphs, and they may be sorted by tests, biomarkers, categories, body systems, and time frame. Our UIta Lab Tests platform lets you keep track of your health and be proactive in disease prevention and detection.
